

Test No	Reason for Test/Purpose for Test
<b>Name: can not be empty and must be a string</b>	
0001	Test if the name can be empty
0002	Test if the name can only be number
0003	Test if the name can be only special characters
0004	Test if the name can be digits, alphabets and special characters
0005	Test if the name can only be alphabets
<b>Title: can not be empty and must be a string</b>	
0006	Test if the title can be empty
0007	Test if the title can only be number
0008	Test if the title can be only special characters
0009	Test if the title can be digits, alphabets and special characters
0010	Test if the title can only be alphabets
<b>Topics: can not be empty, must be a string and must be selected from the available list of topics</b>	
0011	Test if the topic number can be empty
0012	Test if the topic number can be beyond the number of the list
0013	Test if the topic number can be string
0014	Test if the topic number is from 1 to 4
<b>Paper submission due date (PSDD): can not be empty, must be in the future and of Australian date format</b>	
0015	Test if the paper submission due date can be empty
0016	Test if the paper submission due date can be a past date
0017	Test if the paper submission due date can include alphabetic characters
0018	Test if the paper submission due date can include special characters
0019	Test if the paper submission due date is of Australian date format
<b>Paper review due date (PRDD): can not be empty, must be in the future and of Australian date format</b>	
0020	Test if the paper review due date can be empty
0021	Test if the paper review due date can be a past date
0022	Test if the paper review due date can include alphabetic characters
0023	Test if the paper review due date can include special characters
0024	Test if the paper review due date is of Australian date format
<b>List of papers submitted: must be one of the types of list and can have 0 object of papers in the list</b>	
0025	Test if the list of papers submitted can be a string
0026	Test if the list of papers submitted can be a dictionary
0027	Test if the list of papers submitted can be a list
0028	Test if the list of papers submitted can have 0 object
